

Please keep this sheet for your information.

Participant instructions

All courses are normally 9.30-16.30.

Courses are 2 days usually consecutive Saturdays and require attendance on both days to complete the course.

Hot drinks will be available to buy from the galley.

You will need to bring your own lunch

Please bring at least one complete change of dry clothes in case you get wet.

Powerboating can be cold, please make sure you have several layers.

Waterproofs are also windproof and are essential for spray and in case it rains. Hats and sun cream are useful for summer courses.

Suitable footwear, old trainers or similar are ideal, not hard-soled Wellingtons as these are uncomfortable and fill with water. Your feet will get wet getting the boats out and putting them away.

Please note HSC does not carry insurance for individuals.

If you cannot attend your course, or for any reason HSC cannot provide training on the due date, an alternative will be offered. No refunds will be given. HSC must be in receipt of the full course fee before a delegate can commence their course.

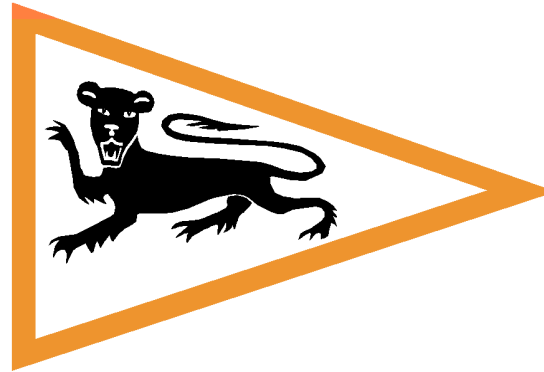

Please do not leave valuables in the changing rooms, lockers are available, ask an instructor.

Participants are expected to adhere to the rules of Hollowell Sailing Club. Failure to do so may result in you being asked to leave the site

Powerboat certificates, logbooks and handbooks are included for non members and will be provided to members on payment of an additional fee.

Non-members are welcome subject to available places. Courses are open to anyone over the age of 16 years.

A pre-course sheet will be sent on receipt of this form and any fees as applicable.

Powerboat level 2 – This 2 day RYA course provides the practical skills and background knowledge needed by the competent powerboat driver and is essential to driving the Hollowell powerboats as Boat Officer.

When you have had some practice then progress your knowledge further with:-

Safety Boat – This 2 day RYA course provides the skills required when acting as an escort craft, safety boat or coach boat for a fleet of dinghies, windsurfers or canoes and for racing or training activities.

Both courses are held over 2 consecutive Saturdays and will require a small amount of “homework” between days.
